Dear Science Alumni Members,

Requesting contributions from Science Alumni

In the recent past, our alumni members have supported us tremendously to improve the teaching and learning environment of the Faculty of Science. These donations have helped all eight departments to provide a better teaching and learning environment for both students and lecturers.

Such contributions have helped especially due to the limited government funding we received during the recent past..For your information I would like to list out the contributions we received during the last three and a half years.

1967	650,000 LKR
1968	8 Digital Smart Displays
1969	1,040,000 LKR
1974	Renovation of Chemistry Upper Theater
1975	Renovation of the Faculty Common Room (twice)
1978	2 Scholarships for undergraduates per year
1979	8 Document Cameras

On behalf of the Faculty of Science, I would like to express my gratitude for assisting us in improving the resources of the Faculty and also sincerely hope that you will also support us in the future. I would appreciate, if you deposit your contributions to the Faculty Development Fund.
