Higher Education Qualifications

🎓 **BSc**

University of Peradeniya
Sri Lanka
(2016)

Awards, Scholarships, Memberships & Fellowships

Department of Statistics and Computer Science Alumni Prize for Excellence in Computer Science

University Award for Academic Excellence

Positions Held

- Member: Association for Computing Machinery – Georgia State University Chapter

- Member: IEEE – Georgia State University Chapter

- Temporary lecturer at the Department of Statistics and Computer Science- (2017 Jan – 2018 June)

- Visiting Demonstrator at Postgraduate Institute of Science- (2018 Jan - 2018 June)

My Teachings

Nothing to show under this subheading !!!

Research Interests (Research Fields/ Projects)

Behavior of Neural Networks in different problems,

Coexisting neural networks,

Network and Community mining in social media,

Deep learning and Reinforcement learning.

Ongoing Research and Projects

A system of region proposals for object classification using fully convolutional networks

Key Publications

⭐ Proceedings of iPURSE - (2016)

Opinion mining on various aspects of health through social media analytics using collective sentiment feature analysis and deep neural networks

Conferences

Nothing to show under this subheading !!!
