Higher Education Qualifications

PhD

Australian National University
Australia
(2017)

BSc

University of Peradeniya
Sri Lanka
(2010)

Awards, Scholarships, Memberships & Fellowships

Charles Hocart Award for Academic Research Excellence by ThermoFisher Scientific (2015) – ACT Mass spectrometry symposium

Hayley's Award for the Best Performance in First Year Chemistry (2007) – University of Peradeniya

University Award for Academic Excellence in B.Sc. Special Degree Program in Chemistry (2011) – University of Peradeniya

Positions Held

Senior Student Counsellor- (January 2020 - To date)

Secretary - PGIS Curriculum Development Committee- (July 2020 - To date)

Co-coordinator - Advanced Course in Organic Chemistry (Postgraduate Institute of Science)- (January 2020 - To date)

Secretary - University of Peradeniya Science Alumni Association (UPSAA)- (January 2019 - January 2020)

My Teachings

-  AS434: Industrial Organic Chemistry
-  CH221: Organic Chemistry I
-  CH321: Chemistry of Biomolecules
-  CH351: Biological Chemistry I
-  CH426: Natural Product Chemistry
-  CH455: Biological Chemistry II

Research Interests (Research Fields/ Projects)

Enzyme engineering, bioactive
natural products

Ongoing Research and Projects

-  **Determination of biological activities and chemical constituents of *Dendrophthoe falcata***
-  **Natural products incorporated biopolymers as wound dressings**

Key Publications

Nothing to show under this subheading !!!

Conferences

40th Lorne Conference on Protein Structure and Function

HELD AT : Lorne - Australia - (February 2015)

TOPIC : *Improving the Arylsulfatase from Pseudomonas aeruginosa for Anti-Doping Applications*

10th ACT Mass Spectrometry Symposium

HELD AT : Canberra - Australia - (November 2015)

TOPIC : *PaS performance is not an indicator of future performance: using LC-MS to engineer the Pseudomonas aeruginosa arylsulfatase for anti-doping applications*

The Royal Australian Chemical Institute Organic One-Day Symposium

HELD AT : Canberra - Australia - (December 2014)

TOPIC : *A Steroid Sulfatase for Anti-Doping*

Asian Symposium on Medicinal Plants, Spices and other Natural Products XVI

HELD AT : Colombo - Sri Lanka - (December 2018)

TOPIC : *A comparison of bioactivity of the hemi-parasite Dendrophthoe falcata on the host plants Limonia acidissima and Mangifera indica*
