In the following indicate your choice by marking a "✓" in the appropriate box

No.	Comment	Strongly agree	Agree	Neither agree nor disagree	Disagree	Strongly disagree
1	Adequate guidelines/handouts were given prior to laboratory sessions					
2	Aims and learning outcomes of laboratory sessions were clearly indicated					
3	Practical sessions were well organized					
4	The concepts and theories covered in the relevant lecture(s) were applied/used in the laboratory sessions					
5	Clear instructions were given during the laboratory sessions					
6	Demonstrators were confident in giving instructions and treated students equally					
7	The instructor and the demonstrators were approachable and available					
8	Resources (instruments, chemicals, etc.) were adequate and laboratory staff were available during laboratory sessions					
9	Provided opportunities to develop hands-on experience and experimental skills					
10	Continuous assessments/practical recordings were fairly assessed and discussed improvements					

## **Instructions to the person who administers the evaluation process**

- This envelope is not to be opened until the instructor leaves the lecture room/theatre.
- Once the instructor left, open the envelope and distribute one copy of the evaluation form to each student in the class.

### **Instructions to students (Please read to the students)**

- Give your honest opinions about the instructor and the course.
  - The Office of the Dean will make arrangements to analyze the evaluation forms.
  - These evaluations will be made available to the instructor only after the final grades are released.
  - You are advised to give written comments, if any, in the space provided.
- 
- Once completed, all the forms must be enclosed in a sealed envelope.
  - Place your signature with the name and the date.
  - Return the envelope immediately to the office of the Head of the relevant Department.
