### **Medical Laboratory**

Ours is a well-equipped laboratory where investigations are carried out as requested by University Medical Officers.

### **Pharmacy**

Our pharmacy is well stocked with most drugs and other pharmaceuticals that are available in the larger state government hospitals

### **Immunizations**

Specific Immunization available when necessary.

### **Psychological Counseling**

Stress, anxiety and other psychological problems are quite common amongst the university community. Psychological counseling are available to meet such needs and refers to specialist if necessary.

### **Preventive Health care**

Public Health Inspectors and a work force of trained personal under the supervision of the Chief Medical Officer (CMO) are responsible for monitoring food hygiene, insuring the purity of drinking water, maintenance of the university sewerage system, garbage disposal, environmental sanitation and pest control. Any complaints regarding these could be made directly to the CMO or through the Warden, Sub Warden or Assistant Registrar.

## **Health Education**

Health education is an integral part of all our programs

## **Issuing of Medical Certificates**

If a student receives indoor or outdoor treatment from the Health Centre, a university medical officer will issue a medical certificate as and when necessary.

If a student obtains treatment from any source other than from the health centre, a medical certificate should be submitted through Assistant Registrar from that source, for approval by Chief Medical Officer.

If a student is unwell and unable to sit for an examination, the student is advised to report to the health centre before the examination commences.

All medical certificates submitted for examination purposes must be forwarded through the Assistant Registrar for approval by the Chief Medical Officer' Certificates issued by private practitioners and Ayurvedic medical practitioners are not accepted for these purposes' Only Certificate issued by Medical Consultants, or Government medical certificates are accepted.

## **Registration at the Health Centre**

Please report on a weekday during working hours with your student identify card and past health records, if any.
