Authors should submit abstracts via the Microsoft CMT submission system (<https://cmt3.research.microsoft.com/ICMME2023>).

Complete submissions should include:

1. A duly filled submission form
2. Blind abstract (not including names of author(s))
3. Blind extended abstract
4. Author declaration form
5. Author checklist

Details of ALL AUTHORS must be added to the "Authors" section of the submission page, and the corresponding author should be indicated.

The Editorial Board reserves the right to change the Theme of the abstract identified by the authors to a more relevant Theme, if necessary. Results presented or published elsewhere will not be considered.

## Abstract Guidelines

The abstract should summarize the methods, results, and conclusions of the study. If accepted, the abstract will be published in the "Proceedings of the ICMME 2023".

Format: Abstract should be limited to one A4-sized page (maximum 400 words) with a left margin of 3.0 cm, and all other margins kept at 2.5 cm. The font "Times New Roman" of size 12 should be used with single line spacing. All abstracts must be written and submitted in English using

Title: should be brief and should reflect the study carried out. Letters should be bold uppercase, and center-aligned. Scientific names in the title should be written in uppercase italic.

Extended Abstract: Inclusion of an extended abstract is mandatory for the reviewing process but will not be published in the proceedings. The extended abstract should be organized under the following subtopics:

1. Title (same as that of the abstract).
2. Introduction (with objectives)
3. Materials and Methods
4. Results
5. Discussion and Conclusions (with outcomes)
6. References

Formatting of the extended abstract should be similar to that of the abstract, giving priority to the results, discussion and conclusion within 2-3 pages. Figures and tables should be clearly illustrated and included within the stipulated page limit.

Other guidelines have been published on the conference website:
