UNDERGRADUATE RESEARCH SYMPOSIUM

SURS 2022

6-7 OCTOBER 2022

"Impact of Undergraduate Research for a better future"

Science Undergraduate Research Symposium (SURS) 2022, organized for the second consecutive time by the Faculty of Science, provides a platform for the final year undergraduates of the Faculty to showcase the outcomes of their research projects. Abstracts are called from the final year undergraduates of each Honors Degree Programme from the respective Department for Oral Presentations.

Important Dates

Abstract Submission deadline - 11th September 2022
Revised abstract submission deadline - 18th September 2022

Abstracts prepared according to the guidelines should be emailed to the SURS 2022 editorial committee member of each Department on or before the deadline.

- The Best three presenters of each session will be recognized
- All participants will be awarded with Participation Certificate

SURS 2022 is organized and funded as an activity under the AHEAD Project
