

CONGRATULATIONS

On Winning the Best Undergraduate Physics Research Project
Award for the Year 2022
Awarded by the Institute of Physics Sri Lanka (IPSL)

Mr. Y.M.D.C. Yapa Bandara

*For the project of
"Fabrication of Thermoelectric Generators Using Non-Toxic
Materials"*

Supervised by

Prof. T. M. W. J. Bandara
Professor in Physics
Department of Physics

Dr. L. K. Narangamma
Senior Lecturer
Department of Physics

Department of Physics
Faculty of Science
University of Peradeniya
